# TRI RESCHKE

## STORYTELLER & DIRECTOR

As a genderqueer filmmaker, I strive to showcase intersectional and social justice oriented messages in the content I write and direct. In a world where marginalized voices are often erased or misrepresented, I hope to answer the hunger so many young people have to see their own lives authentically reflected in the media. Empathy is at the core of all of my work.

## EDUCATION

**BFA FILM AND TELEVISION**  
Summa Cum Laude  
Directing | Screenwriting  
DePaul University | Chicago, IL
